VERDIEPING 1

VERDIEPING 2

Architectural floor plan of a building. The plan shows a central staircase with a landing, flanked by two large rooms. The staircase has a width of 207 and a height of 172. The rooms on either side have widths of 866 and 869, and heights of 110 cm. A balustrade is shown on the left side of the plan. The staircase is labeled 'RWA' and has a width of 25. The plan also shows a door on the right side of the staircase.

This architectural floor plan depicts a long, narrow building section. On the left, a vertical balustrade is labeled "balustrade". The main corridor is defined by horizontal lines with dimensions 866, 856, and 869. Two heights are specified as "H = 110 cm". A staircase is located on the right side, with a width dimension of 207. The staircase is flanked by walls with dimensions 172 and 173. A door is shown at the top of the staircase with a swing arc. Various other dimensions are noted, including 25, 15, and 15. A small circle labeled "RWA" is located near the bottom of the staircase. The plan is oriented with a north arrow pointing towards the top right.
